

## Green & Gorgeous!

At this party, Green Leap talks about how you can be green and gorgeous! We provide you with an overview of the benefits of mineral make-up and using skin products which are organic and cruelty free. Here's what we go through in this eco session:

- Skincare & make-up nasties
- Benefits of organic skin care
  - Mineral make-over!
- Cruelty free & Australian made brands

## Eco Parties!

Our eco parties are a **fantastic** way to learn about green living.

Each party is designed to be informative, fun and inspiring. If you want to adopt a more sustainable way of life then you'll love our eco parties! Basic information:

- Sessions can be hosted in homes and workplaces
  - Each session runs for about 2 hours
- You need a minimum of 6 attendees (including yourself)
- All hosts receive a special eco gift and can earn generous rewards!
  - Helpful information sheets are provided
- Ask us about our fundraising option for community groups and schools!
